

# Dräger Parat<sup>®</sup> C Smoke hood

1 Take the hood into both hands.

2 Push out the filter ...

3 ... using both thumbs.

4 Open the elastic neck seal using both hands.

5 First insert your chin into the hood resting it inside the inner mask.

6 Pull the hood over your head. Make sure that your nose and chin sit comfortably in the inner mask and that all your hair is tucked into the hood.

7 Tighten the strap ...

8 ... until the inner mask lies firmly over your mouth and nose.

# Dräger Parat® C Smoke hood
