

A weatherproof IP65 ceiling mounted exit sign. The ESP provides you with a single or double sided exit sign made from white polycarbonate suitable for many external applications. It is also suitable for areas that require thorough cleaning such as hospital corridors. The ESP Light has cable knockouts, which are provided in the sides and a BESA entry in the base. Complying with the requirements of EN60598-2-22 and suitable for incorporation into an emergency lighting system complying with BS5266-1:2005. With the optional recessing kit this exit sign is a versatile all rounder.
