

P50 Powder Service-Free Fire Extinguisher

IDEAL FOR TACKLING **CLASS A, B, C & ELECTRICAL** FIRE RISKS

The P50 Powder Service-Free Fire Extinguisher has a unique construction that means it does not require servicing annually by a trained engineer. Instead, a simple visual inspection can be carried out each year by a member of your team after receiving competency training from Safelincs. This dramatically reduces servicing costs over the lifespan of the extinguisher.

Ideal for use in outdoor environments or large open spaces with a mixed risk, the P50 Powder Extinguisher also has an impressive B rating for tackling flammable liquid fires. The 2kg model is well-suited for use in vans or other fleet vehicles since it doesn't require annual servicing.

- Suitable for mixed risk environments - Class A, B, C fires
- Safe for use on live electrical equipment up to 1000V
- 10 year warranty and 20 year lifespan when refurbished after 10 years
- CE marked and Kitemarked to BS EN3
- UV protection and corrosion proof
- Manufactured in Norfolk, UK
- Fully recyclable at the end of its life
- Super strength composite construction
- Double pressure-gauge system for complete peace of mind

POWDER

Product Code	BEFW2P	BEFW6P	BEFW9P
Capacity	2kg	6kg	9kg
Extinguisher Ratings	13A, 55B, C	43A, 233B, C	55A, 233B, C
Dimensions (HxDia)	430 x 127mm	570 x 178mm	640 x 210mm
Weight	2.74kg	8.50kg	11.70kg
Operating Pressure	12 bar at 20°C	12 bar at 20°C	12 bar at 20°C
Operating Temperature	-20°C to +60°C	-20°C to +60°C	-20°C to +60°C
Discharge Time	22 sec.	20 sec.	22 sec.
Discharge Range	3m	5m	7m
