TORCH LIGHT SYNERGY

The TORCH LIGHT SYNERGY is the ultimate flashlight for your car. By simply pushing the lens you can easily switch from flashlight to torch mode. Use this safety torch for signalling others or illuminating your own surroundings. Thanks to the back-up battery system this safety torch will function when needed.

NEW

Installation on middle console
EASY FIX SYSTEM

Attachable to car body / -window
SMART SUCTION STRAP

EASY FIX SYSTEM
MIDDLE CONSOLE

With this clamp you can mount the torch light on the middle console of your car. Rotate the small click-adaptor for optimal positioning. Thanks to the EASY FIX SYSTEM the safety torch will always be within reach.

SMART SUCTION STRAP
CAR BODY/-WINDOW

With this strap it is possible to attach the torch light on the in- and outside of your car. The smart suction strap is attachable to car body/-window. This way you can use the torch light to illuminate and/ or signal without even holding it in your hand.
