

8 WATT CHAIN SUSPENDED EXIT SIGN

The MP Light is a decorative, chain suspended, edge-illuminated escape route and direction sign.

Comprising a white finished base and suspended gear enclosure, the MP Light is fitted with a clear legend panel. The unit is designed for chain suspension and a chrome effect chain is provided. Cable entry is by a BESA entry in the base. The MP Light complies with the requirements of EN60598-2-22 and is suitable for incorporation into an emergency lighting system complying with BS5266-1:2011. The MP Light is white as standard and is also available in alternative finishes including British Standard, RAL colour, black, polished brass, chrome and satin finishes. Switchable, Maintained and Non-Maintained versions available.
