

# RECESSED EXIT SIGN WITH DOWNLIGHT

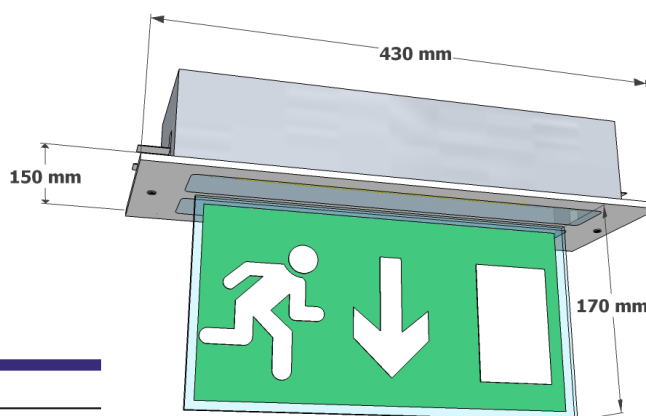

The FMPR Light is a decorative, recessed, edge-illuminated escape route and direction sign with down light facility for indoor use.

This combined unit has a legend that is illuminated through the diffuser and acts as a down lighter to provide extra lighting. The FMPR Light comprises a white finished base and is bezel-fitted with a suspended clear legend panel. Cable entry is by a BESA entry in the base and cut-out dimension is 380mm x 120mm. The FMPR Light complies with the requirements of EN60598-2-22 and is suitable for incorporation into an emergency lighting system complying with BS5266-1:2011. The FMPR Light is white as standard also available in a wide number of alternative finishes, including British Standard or RAL colour, brass, chrome and satin. Switchable, Maintained and Non Maintained versions available.
