# VERITAS 2

Smoke and Heat Detectors

This Smoke and Heat detector are certified products in compliance to EN 54-5/EN 54-7 and marked CE CPD.

Supplied complete with diode base, incorporates red LED alarm indicator and proven optical and heat detection technologies.

Specification

Voltage	24 VDC
Power Consumption	
70 mA	Stand-by
25 mA	Alarm mode
Remote Indicator	Normal 10 mA (If Fitted)
Latching alarm until reset from control panel	
Base fitted with diode for active head removal mointoring	
Dimensons	
Base	110mm (D) x 18mm (H)
Weight with Base	130g
Ingress protection	IP32
Material	White ABS

Compatible with:

- Veritas 2

- Scimitar

- & Most conventional panels
