

# INSTALLATION INSTRUCTIONS FOR SURFACE MOUNT LUMINAIRES SUITABLE FOR CEILING AND WALL MOUNTING

## GENERAL INSTRUCTIONS

This instruction leaflet is for use with Arc, Cadiz, Eden and Tiel range of luminaires. Follow these instructions carefully to ensure safe and reliable mounting of the product. Retain all instructions for future reference. This instruction leaflet should be used with any additional instruction leaflets supplied with the product.

## GENERAL SAFETY

Disconnect the mains supply and battery connection before installation or maintenance. Remember the equipment may be live even when the normal supply is not present.

## GENERAL INSTALLATION INSTRUCTIONS

Use a suitable fixing method and ensure surface material is suitable for luminaire. Ensure IP rating integrity is maintained during the installation process.
