

Large Digital Safe

SFW082GTC

This Water/Fire-Resistant Safe provides powerful protection in a size convenient for any home or small business office. This safe combines features like large, 1-inch bolts and a pry-resistant hinge bar with third party verified protection from fire and flood. A digital lock lets you choose your own combination and with an adjustable tray, you can organize your safe to best fit your needs. The bolt-down kit, which is included, offers an extra measure of security for your valuables.

FEATURES:

- UL Classified for Fire Endurance (1-hour at 1700°F/927°C), to protect documents, records and valuables stored inside from fire damage
- ETL Verified for 1-hour fire protection for digital media up to 1700°F/927°C in the event of a fire
- ETL Verified to withstand a 15-foot/4.5-meter drop during a fire and stay closed
- ETL Verified water protection up to 5 in. for 24 hours
- Dual digital lock with backlit key pad and tubular key lock
- 3 large 1-inch bolts - 60% bigger than traditional safes
- Pry-resistant hinge bar helps provide additional protection from forced entry
- Steel construction provides added security
- Key hooks and door tray for small, easy-to-misplace items
- Interior LED light provides quick and convenient access to important documents and valuables
- Multi-position tray for easy and flexible organization
- May be bolted down to prevent unauthorized removal (hardware included)
