Nº1 CAR SAFETY EXPERTS

LENS UP  
TORCH MODE

LENS DOWN  
FLASHLIGHT MODE

## TORCH LIGHT SYNERGY

The TORCH LIGHT SYNERGY is the ultimate flashlight for your car. By simply pushing the lens you can easily switch from flashlight to torch mode. Use this safety torch for signalling others or illuminating your own surroundings. Thanks to the back-up battery system this safety torch will function when needed.

**NEW**  
**TORCH LIGHT SYNERGY**

For illuminating and signalling in-/outside the car.

Watch the video-demo on our website.

**SMART SUCTION STRAP**

TELESCOPIC LENS SYSTEM

Switch from torch to flashlight mode.

5 light functions

Available in the colours orange and graphite.

**EASY FIX SYSTEM**  
**MIDDLE CONSOLE**

With this clamp you can mount the torch light on the middle console of your car. Rotate the small click-adapter for optimal positioning. Thanks to the EASY FIX SYSTEM the safety torch will always be within reach.

**SMART SUCTION STRAP**  
**CAR BODY/-WINDOW**

With this strap it is possible to attach the torch light on the in- and outside of your car. The smart suction strap is attachable to car body/-window. This way you can use the torch light to illuminate and/ or signal without even holding it in your hand.
