

Save Lives. Streamline Interiors.

## Features

### Multi-Functional

Lumi-Plugin is a revolutionary lighting system that combines LED lighting with various plugins such as concealed sprinkler systems, fire alarms, PIR sensors and/or emergency lighting.

### IP65 Rating

With an IP65 rating, Lumi-Plugin is fully dust proof and water resistant to ensure the longevity of the product. This allows the downlights to be used in a Zone 1 setting, for example: shower rooms and bathrooms.

### Fire Rated 30/60/90

Lumi-Plugin has passed the BS EN 1365-2:2014 fire test standard in 30/60/90 minutes at the world famous Building Research Establishment (BRE) based in Watford.

### Warm or Cool White

Lumi-Plugin's dimmable warm or cool white lights are suitable for both domestic or commercial properties.

### Warranty

Lumi-Plugin comes with a 5 year/50,000 hours warranty.

## Technical Specification

Brand:	Lumi-Plugin
