

P50 Fluorine-Free Foam Service-Free Fire Extinguisher (B-Foam)

IDEAL FOR TACKLING **CLASS A, B, F & ELECTRICAL** FIRE RISKS

The P50 Fluorine-Free Foam Service-Free Fire Extinguisher (B-Foam) from Britannia Fire has a unique construction that means it does not require servicing annually by a trained engineer. Instead, a simple visual inspection can be carried out each year by a member of your team after receiving competency training from Safelincs. This dramatically reduces servicing costs over the lifespan of the extinguisher.

The fluorine-free foam in this extinguisher is free from harmful PFAS chemicals found in traditional AFFF foam, making it a more environmental choice.

- Suitable for use on all common fire risks
- Safe for use on live electrical equipment up to 1000V
- 10 year warranty and 20 year lifespan when refurbished after 10 years
- CE marked and Kitemarked to BS EN3
- UV protection and corrosion proof
- Manufactured in Norfolk, UK
- Fully recyclable at the end of its life
- Super strength composite construction

B-FOAM	Product Code	BEFW6EFBAS
	Capacity	6ltr
	Extinguisher Ratings	27A, 144B, 25F
	Dimensions (HxDia)	570 x 178mm
	Weight	8.50kg
	Operating Pressure	12 bar at 20 °C
	Operating Temperature	+5 °C to +60 °C
	Discharge Time	40 sec.
	Discharge Range	4m
